CERTIFICATION

To Whom It May Concern;

This is to certify that Hussain Ali Hussain Contracting East (HAH) is an approved contractor for the installation of electrical equipment/s for 132kV Substation under National Grid SA-Central. HAH possessed sufficient expertise, manpower workmanship, tools and equipment/s to execute the project accordingly.

This certification is issued upon request of the contractor for whatever purpose it may serve them best.

Eng'r. Ahmed A. Al-Jafin
